The data you provide will be entered into the computer. Perhaps some of the items you mark will never be called forth; should this be the case, please know that your willingness is still greatly appreciated. You never know when the church may be in need of one of the items you checked!

All ministries of the church have various training and or coordination meetings throughout the year to equip and communicate, So, if you have questions, simply ask either the leaders or staff members overseeing the ministry, As well, all children & youth volunteers must provide a criminal record check for vulnerable peoples and attend a training seminar we offer for everyone’s sake.
